Emperor penguin

Ponya

Lesser panda

#3

In the stillness of dawn, the *<Fellowship of the POPLE>* arrived on Earth. They quietly slipped into an old photo studio, where they disguised themselves as Earth creatures by wearing animal costumes to hide their true identities. Just then—CLICK! A broken camera flashed at them...

Will they be able to restore Earth's blue light?

POPLE World Story

Once shined blue and beautiful, Earth is slowly losing its light...

#1

At the same time every day, the stars of the *<Earth Love Club>* gather on the moon to watch Earth's blue glow. But one day, they notice that Earth's blue light is slowly fading away...

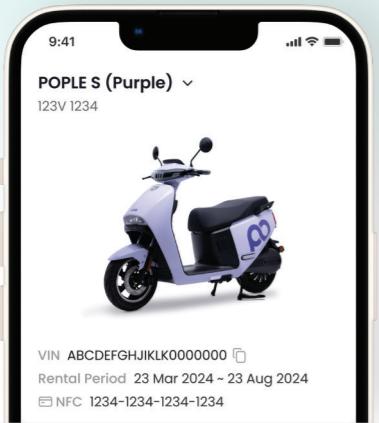

Peter
Sand cat

#2

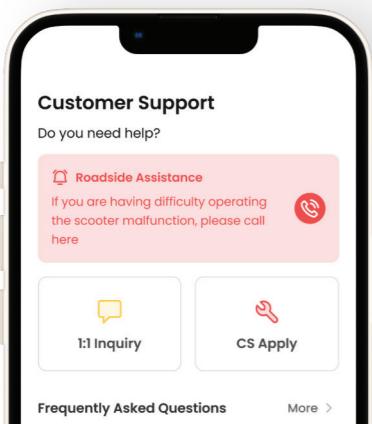

Among the stars of the *<Earth Love Club>*, the three who loved Earth the most formed the *<Fellowship of the POPLE>*. They decided to set out on a mission to bring back Earth's blue light!

Scooter Management

e-Scooter Management

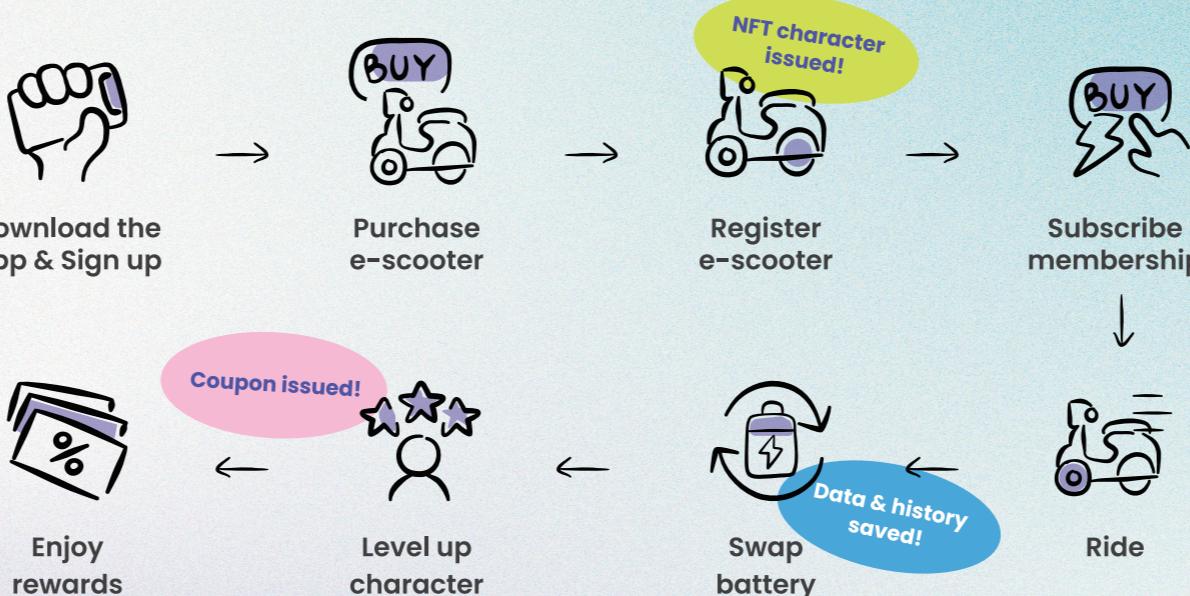

Get all scooter's details in one place—from battery status to monthly ride reports, making scooter management easier.

Inquiries & CS Center

Feel free to leave an inquiry. In case of any issues with scooter, you can request emergency assistance or contact to center.

Carbon Net-Zero Generation POPLE World Life
